This plan contains special provisions that are not included in the standard plan as approved by the U.S. Bankruptcy Court for the Middle District of Pennsylvania. Those provisions are set out in Section 8 of this plan. Other than to insert text into the designated spaces or to expand the tables to include additional claims, the preprinted language of this form may not be altered. This does not mean that the Debtor is prohibited from proposing additional or different plan provisions in Section 8. The Debtor may propose additional or different plan provisions or specify that any of the provisions will not be applicable, provided however, that each such provision or deletion shall be set forth herein in Section 8.

**1. PLAN FUNDING AND LENGTH OF PLAN****A. Plan Payments**

## 2. SECURED CLAIMS

- A. Pre-Confirmation Distributions. Adequate protection and conduit payments in the following amounts will be paid by the Debtor to the Trustee. The Trustee will disburse these payments for which a proof of claim has been filed as soon as practicable after receipt of said payments from the Debtor.

Upon receipt, Debtor shall mail to the Trustee all notices from mortgagees including statements, payment coupons, impound and escrow notices, and notices concerning changes of the interest rate on variable interest rate loans. If any such notice informs the Debtor that the amount of the payment has increased or decreased, the change in the plan payment to the Trustee will not require modification of this plan.

- B. Mortgages and Other Direct Payments by Debtor. Payments will be made outside the plan according to the original contract terms, with no modification of contract terms, unless otherwise agreed to by the contracting parties, and with liens retained. All mortgage and other lien claim balances survive the plan if not avoided or paid in full under the plan.

- (1) Apply the payments received from the Trustee on the pre-petition arrearage, if any, only to such arrearage. If the plan provides for an allowed payment of post-petition arrearages as set forth in Section 2C, apply those payments to only the post-petition arrearages.
- (2) Deem the pre-petition arrearage as contractually current upon confirmation of the plan for the sole purpose of precluding the imposition of late payment charges or other default-related fees and services based solely on the pre-petition default or defaults.
- (3) Apply the post-petition monthly mortgage payments made by the Debtor to the post-petition mortgage obligations as provided for by the terms of the underlying mortgage note. Late charges may be assessed on post-petition payments as provided by the terms of the mortgage and note.
